Message from Principal Belle

Greetings La Cima Families/Caregivers,

It is so hard to believe that I am writing the final message of the school year! It seems like it was just a short time ago that we entered this virtual world of learning and marked the first day of school. While it has been a year of trials and challenge, it is more than evident that we have emerged on-top, La Cima!

The end of the school year does not equal the end of learning. It is critical that scholars continue to read over the summer and participate in outdoor enjoyment and activities. Museums, botanical gardens and parks are open so please take advantage of the opportunity to visit.

SUMMER ASSIGNMENTS:

Your scholar(s) will receive a summer assignment this year to help keep them sharp in reading and mathematics. These assignments are not optional and will be graded by your scholar's new teacher. At the beginning of the school year, please ensure that the assignments are completed and secured for submission in the fall.

2021-22 SCHOOL YEAR:

As stated in my prior message, it is our intention to be back in-person 100% for the 2021-22 school year. We will, however, begin the year with remote instruction and stagger classes in by grade. In this way, scholars will be methodically reacclimated to the in-person environment. Our youngest scholars will be having a brand-new experience with in-person instruction and we want to afford them the time to adjust.

It is critical that you attend the upcoming parents/caregivers town hall meeting on **June 8th, 6:30-7:30 pm**. In that meeting we will outline the expectations and procedures-including any necessary safety measures and protocols for a safe transition to in-person instruction for the 21-22 school year.

We look forward to the last weeks of school with all of you. Please continue to keep solid routines at home as we come down the home stretch. I want to thank you for a great school year and all of the work you do to support your children to help them to succeed and grow in unprecedented times.

In partnership,
Principal Belle

We celebrate all of our La Cima fathers!

3 ways to celebrate dad this month!

- ★ Serve Dad an all-star brunch. The best way to start off Father's Day? A table full of all of Dad's favorite brunch recipes, of course. Wow him with an all-star spread of waffles, eggs, and fruit — and don't forget the coffee and OJ, obviously!
- ★ Have a family game night! This year, let Dad flaunt his competitive side with the best board games for the whole family, including favorite classics like Jenga, charades, and Monopoly. If Dad loves trivia and brain teasers, you can even host a family trivia night!
- ★ Pack up a backyard or park picnic! Here's an easy way to impress Dad on his special day: Pack up some sandwiches, grab a blanket, then head out to your backyard! He'll definitely enjoy the sunshine and some fun outside games — especially with all his favorite people around him.

HAVE AN AMAZING SUMMMER!

Featured are two La Cima students participating in the Live African American Museum during our Black History celebration. The student to the left dressed as Bob Marley, a Jamaican singer/songwriter and famous reggae pioneer. The student to the right dressed as Louis Armstrong, a famous black jazz trumpet player.
