

Home Learning Expectations

OVERVIEW & PURPOSE

Scholars will be provided with daily homework assignments to reinforce skills taught during our live lessons. All daily activities will be posted on Google Classroom on our stream as well as under the Classwork tab.

Scholars are expected to:

- Complete all the daily assignments assigned to them
- Complete all assignments independently

Families we ask that you support in:

- Providing a quiet work space for your child to complete each daily assignment
- Reading the instructions to your child to ensure they are on task
- Checking your child's work to ensure they have answered each component of the assignment (The teacher will check for accuracy to see if re-teaching is needed)
