Good Afternoon La Cima Families,

It is hard to believe that we are at the end of the school year. We want to thank you for your support during this challenging time. Now that we are entering the summer months, we want students to stay sharp by reading every day and completing math tasks outlined in their summer assignments. Summer assignments will be shared with you by way of your child's google classroom. There is an important link to the electronic library card in the packet. This link will give your scholars access to many books including the books for the assignment.

Finally, your scholar will receive his/her report card via Gmail which includes information about promotion to the next grade. Please continue to ensure that your scholar reads every day.
Have a wonderful and safe summer!

Sincerely,
Principal Belle
