A SPECIAL THANKS!

Thank you for being part of the La Cima community and supporting our 2024 fundraising campaign! La Cima, which means “the mountaintop” in Spanish, has been a bright spot in the Bedford Stuyvesant community for the last 14 years.

The following businesses and organizations, many of which are in our neighborhood, are also committed to supporting our work and our scholars.

Please take a minute to check out our digital sponsor book and consider supporting these businesses and organizations who are so generously investing in us.

“An investment in education always pays the highest returns.”
